

Exciting writing!

Some of our Year 5 pupils were given the opportunity to write a poem based on the theme 'Out of this World' as part of a poetry competition for Young Writers. A vast amount of amazing poems were created in various different styles including; shape poems, acrostic poems, rhyming poems and Kennings. We were very fortunate that all of our poems that we entered into the competition were selected for publication. The published book has now finally arrived! This is a fantastic achievement for all pupils involved. We are very proud of them and they should be very proud of themselves too.
