

**You need**

- ☆ 2 dice
- ☆ Pen and paper

1. Roll the 2 dice.
2. Look at the numbers on the dice. Take away the smaller number from the bigger number, like this:

3. Repeat 10 times.
4. Use a calculator to add up the numbers. This is your game total.
5. Play lots of times. Write down the game total each time. What is your highest game total?
