

## You need

- ☆ 2 dice
- ☆ Timer

1. Set the timer to 5 minutes.
2. Roll the dice. Roll until you get a double.  
A double is when you get the same number on both dice, like this:  
  

3. When you get double 1, say 'Double 1 is 2'.  
Write down 2. Do the same for other doubles.
4. Keep rolling the dice until the timer rings.  
Then stop rolling!
5. Add up your points. This is your game total.
6. Play lots of times.  
Write down the game total each time.  
What is your highest game total?
